

Nouns Worksheet: Find the Noun - Answer Key

2nd Grade - identifying common nouns | 12 minutes

Write the noun (a person, place, or thing) from each sentence on the line.

Example: The dog ran fast. -> The noun is dog (a thing / an animal).

1. My teacher is kind.

Answer: teacher

2. We went to the park.

Answer: park

3. The cake tastes good.

Answer: cake

4. Her sister is tall.

Answer: sister

5. The yellow bus is late.

Answer: bus

6. A bird sang in the tree.

Answer: bird (or tree)

7. My friend has a new bike.

Answer: friend (or bike)

8. The store was very busy.

Answer: store

Challenge

9. Write a noun that names a place.

Answer: Answers will vary, e.g. school, beach, kitchen.

10. Is the word 'happy' a noun? Why or why not?

Answer: No - it describes how someone feels, so it is a describing word (adjective), not a person, place, or thing.
