

3rd Grade Pictograph Worksheet (Scaled) - Answer Key

3rd Grade - reading a scaled picture graph (key of 5) | 15 minutes

Use the picture graph to answer each question. Each symbol stands for 5 books.

1. How many books did Room 2 read?

Answer: 25

2. How many books did Room 3 read?

Answer: 10

3. Which room read the most books?

Answer: Room 4 (30)

4. How many symbols are next to Room 1?

Answer: 3 symbols (15 books)

5. How many more books did Room 4 read than Room 1?

Answer: $30 - 15 = 15$ more

Challenge

6. How many books did all four rooms read in all?

Answer: $15 + 25 + 10 + 30 = 80$ books

7. If each symbol stood for 10 instead of 5, how many would 3 symbols show?

Answer: 30 books (3×10)
