

Subtraction Within 20 Worksheet

1st Grade - subtraction facts within 20 | 12 minutes

Name: _____ Date: _____

Subtract. Use the number line to count back, or count up to the answer.

Example: $15 - 3$: start at 15, hop back 3 \rightarrow 14, 13, 12. So $15 - 3 = 12$.

1. $13 - 5 =$

2. $16 - 7 =$

3. $14 - 6 =$
