

# Scaled Bar Graphs Worksheet

3rd Grade - reading a scaled bar graph | 14 minutes

---

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Use the bar graph to answer each question. Notice the scale counts by 5. The graph shows books read by each class.

1. How many books did Room 4 read?

\_\_\_\_\_

2. How many books did Room 1 read?

\_\_\_\_\_

3. Which room read the most books?

\_\_\_\_\_

4. How many more books did Room 2 read than Room 3?

\_\_\_\_\_

5. How many books did Room 1 and Room 3 read together?

\_\_\_\_\_

6. How many books did Room 2 and Room 4 read together?

\_\_\_\_\_

## Challenge

7. How many books did all four rooms read in all?

\_\_\_\_\_

8. Room 3 wants to match Room 2. How many more books does Room 3 need?

\_\_\_\_\_
