

3-Digit Subtraction with Regrouping Worksheet

3rd Grade - three-digit subtraction with regrouping | 16 minutes

Name: _____ Date: _____

Subtract. Borrow from the next column whenever the top digit is too small.

Example: $432 - 185$: borrow for the ones ($12-5=7$); borrow for the tens ($12-8=4$); $3-1=2 \rightarrow 247$.

1. $432 - 185 =$

2. $600 - 247 =$

3. $514 - 268 =$

4. $723 - 459 =$

5. $805 - 376 =$

6. $350 - 168 =$

7. $921 - 547 =$

8. $400 - 156 =$

Challenge

9. A store had 700 books and sold 285. How many are left?

10. Check $514 - 268 = 246$ by adding. What should you get?
